FOR IMMEDIATE RELEASE

**Former COO Remains on Firm’s Advisory Board
Turknett Leadership Group Celebrates Decision**

Dr. Robert (Bob) and Carolyn (Lyn) Turknett, founders of Turknett Leadership Group, proudly announce the retention of Sandra Hofmann as a member of the firm’s Advisory Board. Hofmann, who served as Turknett’s Chief Operating Officer for the past two years, recently accepted an offer to serve in the same capacity for Closets and More, a Marietta, Georgia-based company that specializes in customized home and office storage spaces.

Bob and Lyn Turknett say Hofmann joined their team to help expand and scale products and services and grow the client base. She proved the perfect person for the job. As COO of Turknett Leadership Group, Hofmann helped design cascading training programs based on Turknett’s signature Leadership Character Model using a leaders-teaching-leaders approach. Hofmann also helped oversee the development of such assessment tools as the Leadership Character 360 and the individual Leadership Character Profile. Both instruments are administered through a robust, web-based platform.

Hofmann’s broad contributions helped increase Turknett’s client base by 21%. Bob and Lyn Turknett look forward to continuing to work with Sandra Hofmann and know that as a member of the firm’s Advisory Board she will continue to play a significant role in helping the firm reach its goals for the future.
